CURRICULUM

The Hebrew reading curriculum is based on the internationally acclaimed Aleph Champion™ Reading Program. This highly motivational system is time-tested and proven to be the fastest and most effective method of teaching Hebrew reading and writing to the North American child.

Our Judaic studies curriculum is comprised of selected material culled from award winning educational programs such as ToraPedia, Jewish Lifecycles and Jewish Children International's Lessons in Hebrew Holidays. We strive to keep our curriculum diverse by covering the widest possible range of Jewish traditions, heritage, history and culture.

WELCOME

At Chabad Hebrew School we help create Jewish pride and spiritual connections that last a lifetime.

Our non-judgmental, friendly and inclusive policy means every Jewish child is welcome, regardless of affiliation, religious observance, or prior knowledge. Our diverse student body provides a setting where each child is comfortable and able to learn at a relaxed pace.

JUDAISM COMES ALIVE!

At Chabad the richness and beauty of our Jewish traditions come to life. Our dynamic programs will educate, stimulate and excite your children intellectually, emotionally and practically.

We believe that a child's Jewish learning must be creative, memorable and fun. Because at Chabad, children don't just love to learn about Judaism, they learn to love

Judaism too. Instead of merely imparting typical textbook lessons, our expert instructors share their

own love and passion for Jewish life and teach by example too.

From lively interactive classroom discussions to exciting hands-on learning programs, our unique learning experience will engage, excite, involve, and inspire young minds and hearts.

ENRICHMENT

Hands on Learning: We know that ideas taught academically should also be followed by exciting hands-on workshops in order to maximize a child's learning experience. Special how-to sessions such as Shofar, Matzah and Havdallah candle making are designed to bring Jewish Holidays and observances to life in a fun way.

A SOURCE OF JEWISH PRIDE

CHILDREN COME FIRST

Our top priority is creating an interactive learning environment in which each and every child feels welcome. Every effort is made to ensure that the learning experience for each student is positive, stimulating and exciting. We go out of our way to ensure that every child is motivated, and engaged in thought-provoking activities.

LEARNING FOR LIFE

Our goal extends beyond giving students the basic skills and knowledge they need in preparation for their Bar or Bat Mitzvahs. We create a solid foundation of love for Jewish living and learning that will serve your children for the rest of their lives.

OUR STAFF

INDIVIDUALIZED ATTENTION

Every child enjoys individual attention from instructors who are carefully selected for their abilities to connect with, appropriately assess, and cater to the needs of each student.

WARM, DEDICATED AND PROFESSIONAL

Our superior faculty is comprised of highly motivated teachers with a proven track record of caring, devotion, and academic expertise.
